Sri Lanka exempted from UK's non-essential travel list

The UK Foreign & Commonwealth Office (FCO) announced that based on the current assessment of COVID-19 risks, Sri Lanka is exempt from the FCO advice against all non-essential international travel. The FCO has updated its global advisory against 'all but essential' travel, exempting destinations that no longer pose an unacceptably high risk for British travellers.

Mattala International Airport to play larger role in crew, passenger, cargo operations

The Mattala International Airport (MRIA) will play an even bigger role in the future not only as a hub for crew changers, but for passenger and cargo movements as well. The Bandaranaike International Airport is forced to operate half of its capacity due to the Covid-19 health guidelines, thereby MIRA has to be used as an alternative airport.
