Make your wedding a contemporary Sri Lankan story

Nestled high up in the hill country, beside a quiet bend in the Mahaweli River, The Cinnamon Citadel Kandy offers the perfect venue for small intimate wedding ceremonies, especially if it's in traditional Kandyan style.

You can exchange vows outdoors in our beautifully landscaped gardens, with the river and mountain range as your witnesses. Talk to us about your plans and we'll help you make your big day that much more special at our Kandy wedding hotel.
