

## Spa Basics

### Should I reserve my treatments?

Yes, either phone or visit the Spa to book a reservation at your earliest convenience so we may accommodate your schedule.

### When should I arrive?

Please arrive at the Spa 15 minutes before the scheduled time to check-in and change.

### What if I have special health considerations?

Please notify our Spa Manager or Receptionist before booking your treatments if you have high blood pressure, allergies, other physical ailments or disabilities, or if you are pregnant. If you have any concern at all, let us know.

### What if I'm late for my appointment?

Arriving late will simply limit the time for your treatment, thus lessening its effectiveness and your pleasure. Your treatment will end on time so that the next guest is not delayed.

### What do I wear during my treatment?

You may wish to wear your own bikini or briefs, or we can provide you with hygienic disposable briefs. Choose what is most comfortable for you. Our therapists will always use draping techniques to respect your privacy.

### What about my valuables?

We advise guests not to bring valuables to the Spa as we do not accept liability for loss. For all other personal items we provide lockers.

### What if I need to cancel a Spa reservation?

The treatments you select are reserved especially for you. Guests will be charged 50% for treatments not cancelled six hours in advance.

### What about payment for Spa services?

You may charge Spa services to your hotel bill. We accept all major credit cards (Visa, AmEx, MC, JCB)
